Interview Technique for Students of B.Sc.III & B.A.III

Report

In the syllabus of B.A.III/ B.Sc.III, Board of Studies in Shivaji University Kolhapur prescribed units like: How to Participate in Group Discussion and Interview Technique besides, the purpose behind these topics alike: to improve communication among students, to develop soft skills, to prepare students according to the requirement of the market therefore the subject teacher Prof. S. S. Nadaf conducts practical task 'How to Face an Interview' for the students of B.A.III and B.Sc.III from 4th February 2020 to 7th February 2020 whereas students played the role of interviewer and interviewee. Throughout this activity students learnt how to ask questions, use phrases in English language. Moreover build up their confidence, inculcate soft skills like patience, honesty, decision making process, stress management etc. which will help them in the future.

Beneficiary: 60	Outcomes: improved soft skills Trained in using common phrases in English
