Report on

One Day Workshop

"Fundamentals of Python"

Date: 18/04/2023

The Department of Mathematics in collaboration with IQAC of **Dr. Patangrao Kadam Mahavidyalaya, Ramanandnagar (Burli)** organized a one day workshop on **"Fundamentals of Python"** on 18th April 2023. Huge responses were received from the virtual participants. A total of 93 virtual participants registered for this workshop.

The Inauguration of the workshop was done by the auspicious hands of Hon. Prof. Dr. P. B. Patil, where he deliberated more on technical as well as soft skills of communication.

The welcome and introductory speech for the workshop was given by Convener and Head, Department of Mathematics **Miss. P.D.Jirage** and the brief introduction of resource person for this workshop was given by Miss. P.D.Jirage.

Hon. Prof. Dr. P. B. Patil, delivered presidential address. **The Resource Person Prof. S.Y. Mestri has delivered talk on "Fundamentals of Python"** which gives the brief information about Data types (int, float, and strings), compound data structures (lists, tuples and dictionaries), conditionals, loops, functions and object-oriented programming and using external libraries.

The vote of thanks was proposed by Dr. N.S.Patil, Head, Department of Statistics. The programme was handled and anchored by Miss. P.P.Jadhav. The Success of this workshop is achieved by technical hands of Miss. P.P.Jadhav and co-operation of other staff members.

Outcomes:

- 1) Students know History of Python.
- 2) Students know application of python in IT industries.

Beneficiaries: 30
