Department of Statistics
Report on
PowerPoint Presentation and Seminar

Today, on Sep 17, 2019 PowerPoint Presentation and seminar activity has been successfully undertaken under the guidance of all Statistics department faculties. The activity of PowerPoint presentation and seminar began with the message on department Whatsapp group. On Sept 3, 2019 we informed students about making PowerPoint presentation and seminar on particular subject wise topic or point and given a specific time to them to make this presentation. All students were participated in this activity and all they made their presentation successfully.

Outcome-

The students made the PowerPoint presentation and seminar of a given particular subject wise point and submit it to the department.

Beneficiaries -08

PPT presentation by Miss Pratiksha Jadhav B.Sc. III Statistics
