Organized

TREE PLANTATION

2024-25

Date :24/09/2024

Trees represent life, growth, peace and nature. They produce oxygen, clean soil, prevent drought, control flood related disasters, prevent soil erosion, improve physiological, mental and spiritual health, and also reduce carbon footprints. Keeping this in mind like the campaign for the One-Student One-Tree programme was initiated by the Dr. Patangrao Kadam Mahavidyalaya Ramanandnagar (Burli) on 24th September 2024.

B.Sc.I , B.Sc II & NCC students and the teachers of the Botany department Planted various ornamentals, medicinal plants, fruit trees, various vining flowering plants in our college campus, botanical garden & Out of college campus. There are 34 students were present for this plantation programme.

Outcome

- 1.The interest about local environmental increased among the students.
2. The students got information about various trees.
3. Realized the importance of different types of plants in the environment.
4. Created an awareness about earth and its environment .

Beneficiari

34 Students
