**Annual Report of Excursion 2018-2019**

As a part of Syllabus prescribed by the Board of Studies in Zoology, Shivaji University, Kolhapur the department of Zoology had organized excursion for the B.Sc. – I, II, III classes.

For this academic year, for B.Sc. - I a total of 64 students participated in the tour which was scheduled at Kolhapur, Ganpatipule, Ratnagiri & Pawas on 08<sup>th</sup> & 09<sup>th</sup> February 2019. The tour was guided by Dr. T. S. Bhosale, Mr. A.B. Mane, Dr. (Mrs.) S B Pol & Shri. Javeed Mujawar. During the tour students visited the Museum at New Palace Kolhapur where Stuffed fauna and alive wild species were shown and information about their Habit and Habitat was provided to the students.

At Ratnagiri and Ganpatipule we visited to sandy shore, rocky shore and muddy shore and studied various fauna and faunal adaptations. We visited Marine Biology Research Centre at Ratnagiri where the students noted various species of ornamental aquarium fishes. The skeleton of whale fish is maintained in good condition in M.B.R.C. We also visited Bhatye beach where we studied habit & habitat of Sandy & Rocky shore.

For B.Sc.II students, the tour was organized to Radhanagiri Wild Life Sanctuary, Malvan, Sindhudurg and Kunkeshwar on 25<sup>rd</sup> & 26<sup>th</sup> January 2019. Total 48 students participated in this tour. The tour was guided by Mr. A.B. Mane, Dr. Mrs. S. B. Pol & Shri. Sunil Hajare. During this the students visited sandy, rocky and muddy shores and studied various marine species in their natural habitat. The students visited famous Sindhudurg fort built by Shri Chatrapati Shivaji Maharaja.

For this academic year, the students of B.Sc. III Zoology visited Mahabaleshwar, Panchgani, Harihareshwar, Murud Janjira and Diveagar on 21<sup>st</sup> and 22<sup>nd</sup> December 2019. The tour was guided by Mr. A.R. Aundhkar, Mr. A.B. Mane, DR. Mrs. S. B. Pol & Shri. Sunil Hajare. Total 11 students participated in this tour. The students have studied sericulture, Apiculture, various marine aquatic species at different sea shores viz. rocky, muddy and sandy shores.
