Distribution of household things to flood affected non-teaching staff by B.Sc.III Zoology students

In the month of august 2019, near by the college area such as Burli, Amnapur, Bhilawadi, Pundhi, Nagarale etc. were heavily flooded with Krishna river water. Majority of population, domestic animals and house hold utensils were severely affected due to flood water. As a part of social responsibility B.Sc.III students of our department have collected the food grains, and other house hold things which were distributed among flood affected non-teaching staff of the college.

Outcome-

1. It is kind of relief to needy and flood affected Non-teaching staff of our college.
2. It percolates message up humanity in society.
