A Report on Industrial Visit

Date-02/11/2024

On 31 of Dec 2024, Department of Physics organized a one day industrial visit to Pandurang Engineering Works, Burli under Industry-Academia Memorandum of Understanding. Total 10 students and 04 faculties visited Pandurang Engineering works situated near college.

In this industrial visit students of our department saw various machines used to make Shaft, Bearing and other Machine parts. It helped students in understanding the mechanism of how machines are handled and how various parts required as per order of company are designed and constructed.

In this industrial visit students were given information of utilization of their knowledge and skills for development of industrial sector of nation. Such activity is useful to interact the Technical and industrial officials and to acquaint students with need of industry sector.

Outcomes –

- 1.To understand the advanced technique used and required industries.
2. To prepare the student as per required skill in industry.

Beneficiaries–

10 (B.Sc.III Students)

Supervisor explaining working of machinery at Pandurang engineering works.
