One Day Workshop on Mapping Attainment of COs, POs and PSOs

On Friday, 5th February 2021

Organized by

Internal Quality Assurance Cell and Department of English

REPORT

Internal Quality Assurance Cell and Department of English of College organized One Day Workshop on Mapping Attainment of Cos, POs and PSOs on Friday, 5th February 2021 for faculty members of college. As NAAC has been emphasizing on Outcome Based Education in this phase of accreditation, there are two qualitative matrices related to Cos, POs and PSOs. Hence the workshop was organized to guide the faculty about procedure of defining course outcomes, program outcomes and program specific outcomes and calculating the attainment of outcomes. Dr. Sandeep Desai, Associate Professor from RIT Islampur worked as resource person for the workshop. He gave detailed guidance regarding Bloom's Taxonomy and its usage in defining learning outcomes. He also guided about calculating and mapping attainment of outcomes. It was an exhilarating and enlightening experience to participate in the workshop. Principal Dr. L.D. Kadam guided the participants as chairperson of the session. Dr. U.V. Patil worked as co-coordinator of workshop.

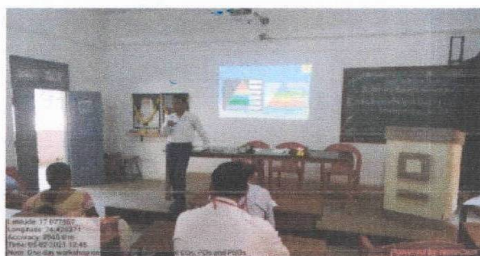

Outcomes: Participants of the workshop will be able to

- 1. Define Cos, POs and PSOs correctly**
- 2. Calculate attainment of Cos, POs and PSOs**
- 3. Map attainment of Cos, POs and PSOs**
