Principal's Message

Late Padmabhushan Dr. Karmaveer Bhaurao Patil founded Rayat Shikshan Sanstha in 1919 with a view to Provide education to all classes of society. “Education through self-help is our motto” The college is established in June 1968. Our college is the branch of bountiful banyan of Rayat Shikshan Sanstha Satara. It is located in the southern central railway track at Kirloskarwadi. A well-known Kirloskar brother Ltd. Steel Industry and International EBARA Pump Industry is located near campus. Students from farmer and worker community are taking advantage of education liability. Dr. Patangrao Kadam Mahavidyalaya Ramanandnagar (Burli) promotes quality education in response to the changing scenario of society. It imparts secular, liberal, progressive education to the rural students. It inculcates pluralistic and multicultural outlook among students for healthy society. This has resulted in producing good number of political leaders, activists, social workers, officers, teachers, lawyers and administrative officers in Maharashtra. The college is accredited in the third cycle of accreditation at “A” grade by National Assessment and Accreditation Council with CGPA 3.02 in March, 2019.

The college is certified with ISO 9001:2015 in 2024. As a result of its achievements in various fields the college has been awarded with Karmaveer Prize for Ideal Teacher in 2019.

The college executes the curriculum effectively. It has upgraded teaching-learning and evaluation. It has enhanced the research potential of faculty and students. The student centric activities have supported the students and also resulted into their progression towards further education. The NCC and NSS units try to nurture various abilities of students. The learning resources and infrastructure have played crucial role in the development of the college. The college has followed the policy of inclusive education. The infrastructure is developed as per the needs and the availabilities of funds to make the learning resources rich. The well-equipped studio has been set up to facilitate online teaching to cope up with the post COVID-19 situation. We are proud of our students for their success in academic, research and sports activities. The students' participation and success in research competitions are remarkable. Our students have bagged medals and awards at State and National level for sports. We are the first college with "A" Grade in Sangli rural area of Sangli district. We take efforts for fulfilling our Sanstha's vision of educating the youth and inculcating Rayat culture in them. I welcome you to be the part of this culture.

Our college

The Dr. Patangrao Kadam Mahavidyalaya, Ramanandnagar (Burli) Formerly known as Arts, Science and Commerce college Ramanandnagar (Burli) was founded in June 1968 by Rayat Shikshan Sanstha to open the vistas of higher education for the people from rural areas of Maharashtra. This college is the first college in the rural area of Sangli district. This college provided an opportunity of higher education to the needy students from economically and socially depressed classes of rural society. Since its very inception the college is striving to educate and empower the rural sections of Society. The college promotes quality education in response to the changing scenario of society. It imparts secular, liberal, progressive education to the rural students. It inculcates pluralistic and multicultural outlook among students for healthy society. This has resulted in producing good number of political leaders, activists, social workers, officers, teachers, lawyers and administrative officers in Maharashtra. An art, Science and Commerce College Ramanandnagar (Burli) is accredited in the third cycle of accreditation at A grade by National Assessment and Accreditation Council with CGPA of 3.02 in 2019. The college is certified with ISO 900:2015 in 2024. As a result of its achievements in various fields the college has been awarded with Karmaveer Prize for Ideal Teacher in 2019.

The college executes the curriculum effectively. Along with university courses, College runs short term courses for skill development of students. It has upgraded teaching learning and evaluation. It has enhanced the research potential of faculty and students. The student centric activities have supported the students and also resulted into their progression towards further education

The learning resources and infrastructure have played crucial role in the development of the college. More than 1200 students are taking education at UG and PG level. College has B.C.A. department since 2008 for imparting computer education to the students from rural area. The well-equipped science laboratories are remarkable feature of the college infrastructure. Language laboratory and computer laboratory have been set up to make students techno savvy and well versed in communication skills. The college has well-furnished library with advanced Libreria software for library management. The innovations and best practices of the college are its key attributes. The infrastructure is developed as per the needs and the availabilities of funds to make the learning resources rich. The well-equipped studio has been set up to facilitate online teaching to cope up with the post COVID-19 situation. The college has grown in the last 50 years and recorded a unique enhancement in the number of Departments, Programmes, Courses, faculty and Students as a college in rural area. It has emphasized quality initiatives in the sphere of teaching, learning, research, extension, infrastructure, support services, innovation and best practices. In the third cycle the college is accredited by National Assessment and Accreditation Council, Bangalore at 'A' grade with CGPA 3.02. The Rayat Shikshan Sanstha has honored the college as the Ideal College by awarding it Karmaveer Paritoshik in 2019. The Best NSS Unit Prize for NSS (2021-22) by Shivaji University Kolhapur. Departments

Dr. Patangrao Kadam Mahavidyalaya, Ramanandnagar (Burli) is a research and teaching powerhouse dedicated to shaping the future by pushing the boundaries of knowledge in the classroom, laboratory and field. Through exceptional teaching, learning, and research experiences, we have competitive position of our students, staff and faculty for current and future success.

The institution has highly qualified and well experienced faculty and are recognized as post-graduate teachers. Majority of the teachers have a number of research papers published in the national and international UGC care listed Journals. All the departments organize State & National Level activities every year for the students and teachers.

The science faculty was established at the time of opening of the college in 1968.

A] FACULTY OF SCIENCE

1. Department of PHYSICS

The Department of Physics has an excellent team of competent faculty involved in cutting-edge research and teaching to develop the careers of the next generation of physicists. The Department has excellent state-of-art laboratories for undergraduate course and research. It follows the best teaching practices in the core area of Physics with a motto of learner-centric teaching and gives exposure to the students about the latest research through project and a semester-long research project.

The Department provides deep physical insight and the ability to realize such insights in a creative way through a wide-ranging education in both experimental and theoretical subjects. Main research areas are condensed matter physics, lasers and optics and non-linear dynamics. The research is also supported by University Grant commission. The Department has achieved great success by producing outstanding undergraduate students who are employed in world-class institutes like BARC, PRL and other academic institutes and also cleared national level examinations like NET-JRF, GATE etc. Department of Physics conducts various co-curricular and extra-curricular engaging activities for students such as student Seminar, Sky observation events, conduction of job Oriented courses on Scilab and Python, Study Tour, Avishkar, INSPIRE, Industrial Visit, Wallpaper, Subject Day celebration, KIDS Activity, Unit Tests and home Assignments. Average result of the department is always greater than university result.

2. Department of CHEMISTRY

The science faculty was established at the beginning of the college in 1968. For further augmentation in scientific knowledge the department of Chemistry was started in the year 1980. In order to fulfill scientific need and to increase the horizon of knowledge of chemistry of rural students, the department of Chemistry had been started College.

The department constantly strives to maintain a culture of excellence in research and uphold the highest standards in chemical education. The department is privileged to have 4 faculty members with their expertise spanning diverse areas of experimental and theoretical chemistry. The main focus of the undergraduate program is to instill the necessary spark and provide the scientific impetus for students to pursue a career in chemistry. Many of our graduates are currently pursuing Ph.D. at renowned institutions worldwide. The institute also has a fully functional placement cell for assisting students who want to join the industry. The department also provides opportunities to its undergraduate students for pursuing internships at private companies so that they can also gain the “industry” experience. The department has been engaged always in imparting the highest level and quality of academic education. It has grown tremendously in infrastructure, research and strength of the faculty. The faculties strive to promote the innovative interest of the students community and also to furnish them with insights into the wonders of creation which is closely connected to the development of mankind.

The department has two well equipped laboratories and university recognized research guides for M. Phil and Ph.D. The department started the

Post Graduate course in Analytical Chemistry from the academic year 2019. The department conducts various student centric activities every year. Such as short term, value added and Certificate Course in Preparation of Household Chemicals. The students prepared market survey booklet of Household chemicals in order to know the need of society.

The department of chemistry publishes the students research papers in the ***“Chem- Vision”*** departmental publication *with ISBN* Every academic Year. Beside this the department has modern ICT technique for the teaching learning process, audio-visual lectures capturing system and google class room.
