To enhance the quality of education department of History is conducting talent and weaker batch for student of first year of under graduate course. Initially Department has conducted diagnostic test for first year and we found following results. Out of 89 only students 9 have scored more than 50% marks and 9 have scored less than 50% marks.

In second stage we have conducted guidance for Slow and Advance student. By doing such separate practice for Slow and Advance student we found better improvement in the student. The result of semester exam shows clear impact of this activity. This activity is more useful for students which are from deprived background.
