Students Satisfaction Survey

Academic Year - 2022-23

Students Satisfaction Survey

Lintroduction and Objectives:

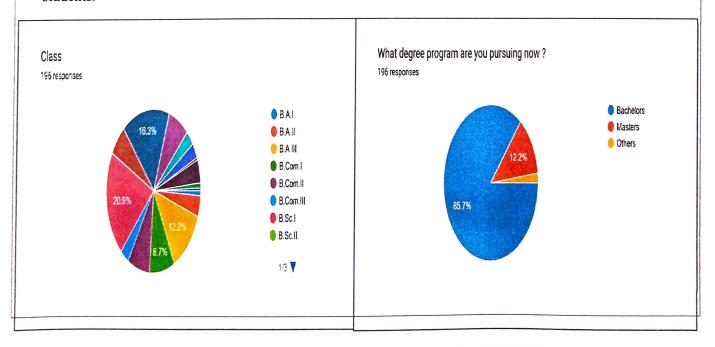

Rayat Shikshan Sanstha's Dr. Patangrao Kadam Mahavidyalaya, Ramanandnagar (Burli) was established in the year 1968. The overall development of the rural students is the motto of the institution. Internal Quality Assurance Cell and Feedback Committee of the college have conducted Student Satisfaction Survey regarding Teaching – Learning and Evaluation and overall institutional performance for the academic year 2022-23. It will help to upgrade the quality of Teaching-Learning and Evaluation and facilities provided by the institute. Receiving positive or negative feedback from these students is important as both are crucial for monitoring the quality assurance. Suggestions given by the students are contributing factor for smooth running of institution. The present survey tries to capture students' responses about teaching- learning and other facilities in the institution in order to take necessary measures for quality enhancement.

♣ Methodology

By the end of academic year 2022-23, the link of Students Satisfaction Survey form (SSS) was made available on college website. Students were notified to fill the questionnaire. The questionnaire including 21 questions was prepared as per the guidelines of NAAC. Filling of SSS is voluntary/optional. For the academic year 2022-23, there were 759 registered students at the college. The data was collected during the period from 15th May 2023 to 15th June 2023. The link of SSS form was also made available to students on their email address. One hundred and ninety-six (196) students responded to the survey, providing a response rate of 25.82% the analysis presented in this report is based on the responses of the 196 respondents to the survey.

Respondent Profile

The respondent sample is broadly representative of the student population with respect to class and course. There are 17.34% from B.A., 19.38% from B. Com., 27.04% from B.Sc., 26.53% from B.C.A., 6.12% from M.Sc. and 3.57% from M.A. respondents in the survey sample. Most of the respondent students are from Bachelor's Degree (85.7%), and students from Master Degree 12.2 % students.

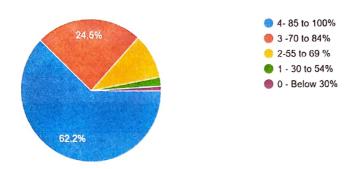

About Teaching –Learning Process:

The satisfaction of the students in Teaching-Learning Process about syllabus covered in the class, preparation of teachers for the classes, communication of teacher, approach of teacher to best teaching.

1. How much of the syllabus covered in the class?

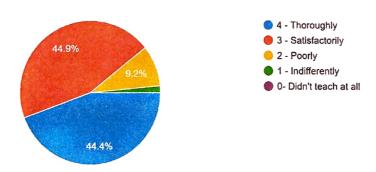

1. How much of the syllabus covered in the class? 196 responses

The above diagram shows students opinion about how much of the syllabus covered in the class. 62.2% of the students have said that 85% to 100% syllabus is completed. 24.5% of the students have said that 70 to 84% syllabus is completed. 10.20% of the students have said that 55-69% syllabus completed. 2.04% of the students have said that 30 to 54% syllabus is completed.
