One Day Teacher Training Workshop on
"New Changed Syllabus (CBCS Pattern) of B.Sc. II Physics Paper- V & VI"
Brief Report

Shivaji University Kolhapur sponsored, one day teacher workshop has been successfully conducted by Department of Physics, Arts, Science and Commerce College, Ramanandnagar, (Burli) on 23rd August 2019. This workshop was inaugurated by auspicious hands of Prof. Dr. K. Y. Rajpure. During Key-note address, he notified that CBCS system is very beneficial for the students. Changes in syllabus are necessary for knowledge up gradation and it enables students to cope up with future challenges. Presidential remarks were made by Honorable Principal Dr. L.D. Kadam. Most of the members of Board of studies were present for the workshop. The prologue was done by Dr. Ms. Vanita Raut, Coordinator of this workshop.

Workshop was comprised of four sessions, in which through discussion of paper V and VI have been taken place. Dr. R. K. Nimat from Balasaheb Desai College, Patan, Dr. Prashant B. Patil, New College, Kolhapur, Dr. J. S. Ghodake, PDVP College Tasgaon and Dr. R. H. Patil from K. R. P. College Islampur were the resource persons. A fruitful discussion on various articles has been taken place during the workshop. Scopes and limits of syllabus were nicely discussed by resource persons. Constructive interactions were taken place between participants and resource persons. Encouraging feedback was received from the participants of the workshop. Teachers from various colleges affiliated under Shivaji University were participated in this workshop. This activity was conducted under guidance of honorable principal.

Outcomes- 1. Teacher participants got well acquainted with scopes and limits of syllabus.
 2. Fruitful discussions on various syllabus articles have been taken place and teacher participants received crucial resource material, which is useful to improve their teaching skill.

Theme of the conference:

National E-Conference On "Recent Trends in Chemistry" will provide common platform for exchange and dissemination of recent technologies among the researcher and students in various fields. The conference is well suited platform which will bring high quality forum for industrialists, scientists, researchers, Teachers and PG scholars engaging in teaching and research to spark ideas in this lockdown period. It will be helpful to share and disseminate their innovative and pioneering views and ideas about recent trends and developments in various areas. Proposed National E- Conference will provide a forum for presentation and discussion of the state-of-the- art research on Recent Trends. Further, invited talk sessions by eminent personality from Academics and Industries will also be organized.

Instruction to Participants

- Participants are expected to attend and participate in all the sessions.
- Those participants wants to register for poster presentation should have to submit their poster in the registration form (poster must contain only one slide in ppt/jpg/pdf format)
- E-Certification will be granted based on attendance and feedback form completion.
- Sessions will be conducted on Zoom.

Organized by

Department of Library with IQAC on 16th September 2019

One day work shop was organised by Department of library and IQAC on Monday, the 16th September 2019. The title of the workshop was "Open Educational Resources: Online Searching Techniques for teachers and students" The programme was organised keeping in mind to train students about open educational resources available on free access .The programme was inaugurated with a "lighting the lamp" ceremony. Dr.L.D Kadam, Principal, Arts, Science and Commerce College R-Nagar (Burli) Mr. Kalloli P.S. Librarian, Bhogawati Mahavidyalaya Kolhapur, Dr. Namita P. Patil. Librarian A.S.C. College R-Nagar ,head of the departments from various departments and faculties were present at the occasion. After the welcome address Principal Dr.L.D Kadam has delivered the keynote address to the audience, and stressed upon the importance of increasing knowledge-base during college education. Resource person Mr. Kalloli P.S. has explained the term of OER .He told that open educational resources cover a wide range of online formats, including online textbooks, video recorded lectures, YouTube clips, web-based textual materials designed for independent study, animations and simulations, digital diagrams and graphics, some MOOCs, or even assessment materials such as tests with automated answers. He has explained that OER can also include PowerPoint slides or pdf files of lecture notes. In order to be open educational resources, though, they must be freely available for at least educational use. Ass..Prof.Aundhakar A.R provided vote-of-thanks at the end of afternoon in presence of Principal Dr.L.D.Kadam ,recognising efforts from all office staff members, students and faculty members for making this workshop a grand success.

इसके बाद हिंदी विभाग द्वारा आयोजित प्रतियोगिता के प्रमाणपत्र छात्रों को समारोह के अध्यक्ष डॉ. एल.डी. कदम और प्रमुख अतिथी डॉ. दिलीपकुमार कसबे सर इनके द्वारा प्रदान किये गये।

डॉ. दिलीपकुमार कसबे सर इन्होंने अपने मंतव्य में हिंदी दिवस का महत्व, हिंदी की आवश्यकता इस संदर्भ में विस्तृत जानकारी दी। आगे उन्होंने कहा हिंदी आज विश्व स्तर की भाषा की ओर अग्रेसर होती जा रही है। आज हमें हिंदी को समृद्ध भाषा बनाने की जरूरत है। भाषा की सुंदरता के संदर्भ में भी उन्होंने कई उदाहरण दिये। भाषा को आज बचाने की जरूरत है, हिंदी का प्रचार प्रसार करने की आज आवश्यकता है। यह बात उन्होंने प्रमुख रूप में व्यक्त की।

समारोह के अध्यक्ष डॉ. एल.डी. कदम इन्होंने अपने अध्यक्षीय विचार व्यक्त करते हुये कहा, हिंदी आज पुरे देश में फैली है। हिंदी के साथ साथ हमे अनेक भाषाये आनी चाहिये। सीमा प्रांत में लोगों को एक अतिरिक्त भाषा आती है, इस बात पर भी उन्होंने प्रकाश डाला। हिंदी का प्रचार प्रसार हिंदी दिवस के माध्यम से किया जाता है, इसलिये यह दिवस मनाना चाहिये। इस बात को भी उन्होंने स्पष्ट किया।

समारोह के लिये महाविद्यालय के छात्र बड़ी संख्या में उपस्थित थे। समारोह का आभारज्ञापन प्रा. नितीन कुंभार इन्होंने किया। समारोह का सूत्रसंचालन प्रा. यु.टी. शेडगे इन्होंने किया।

The Seminar

Indian economy has been reached greatly in the last two decades. Since, new economic policy changes created in the economy. In the 21st century Indian economy growing up very fast in every sector rather than 20th century. Growth rates have been greater and more constant, the economy has become more up-to-date and globally united, macroeconomic stability has been developed, the average civilian is better educated and survives longer, the commercial atmosphere and governance values have enhanced, political stability and the geopolitical environment is comparatively constant these things are included in the changes. GDP, National income and growth rate has been increased in 21st century. It means India has begun as the fastest rising major economy in the world and is probable to be one of the third largest economy in the world on purchasing power parity basis. But previous some years GDP, National Income and growth rate has changed and continuously declined. Hence, we are decided to take review about Indian Economy and finalise the subject of National Seminar "Dynamics of Indian Economy".

One Day Workshop on occasion of Physics day
Brief Report

On the occasion of Physics day, Department of Physics has successfully conducted one day workshop in collaboration with Internal quality assurance cell, Arts, Science and Commerce College, Ramanandnagar, (Burli) dated 7th February 2020. This workshop was inaugurated by auspicious hands of Dr. R. S. Patil, Retired associate professor, New College Kolhapur. The prologue was done by Dr. Ms. Vanita Raut, Coordinator of this workshop. She explained the objectives behind conduction of workshop.

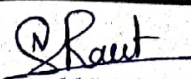

Workshop was comprised of two sessions. First session was conducted by Dr. R. S. Patil, retired Associate Professor. His topic of discussion was "Foundation of Science and Technology". He discussed Quest for Truth, in which he motivated students to develop scientific aptitude and attitude. Then he discussed Fascinating nano world, with suitable examples of various nanostructures seen in nature. Then he talked about "Beauty of creation and research". He also conversed, "the universe as Story of Matter and Energy". With his belief that "Scientific attitude through Quality Education can resolve all socioeconomic problems" he spoke about the measures for sustenance of quality education

In the second session, Dr. T. J. Shinde, Associate Professor, K. R. P. Kanya Mahavidyalaya enlightened students on topic "Career opportunities in Physics". He thoroughly discussed various career options from BARC, TIFR upto various industries. Shindesir motivated students to complete post graduation. He encouraged students to do research in various universities, IITs and research institutes. Shindesir gave links of various career opportunities etc. Posters, flex and models (Chandrayan) made by students displayed in the college corridor

Presidential remarks were made by Honorable Principal Dr. L. D. Kadam. Constructive interactions were taken place between participants and resource persons. Encouraging feedback was received from the participants of the workshop. This activity was conducted under guidance of honorable principal. **Beneficiaries- Total 67.**

- Outcomes-**
1. Fruitful discussions have been taken place among students and a resource person, which is useful to boost up interest about Physics among students.
 2. Students became aware of various career opportunities with Physics as principal subject.

What is lecture Capture System ?

“Lecture capture is the process of recording classroom lectures as videos, and making them available for students to review after the class.”

The term “lecture capture” is actually quite broad and can be used to describe a variety of solutions, software, and hardware. You may need to record something as simple as audio and PowerPoint point slides.

Or

you might want to capture a camera, computer screen, separate microphone, and webcam all for one class. **Lecture capture solutions** take on many forms depending on how each individual intends to use them.
